B.E Aeronautical Engineering	AE
B.E Civil Engineering	CV
B.E Computer Science & Engineering	CS
B.E Electronics & Communication Engineering	EC
B.E Mechanical Engineering	ME

#### ABOUT CAMPUS/LOCATION

The college is located in a quite tranquil and natural atmosphere, covering an area of 30 acres near the main road, which connects Gudibanda Rd and NH7 (at Peresandra cross). It is 24 KM from Chikkaballapur, 50 KM from Bangalore international airport and 75 KM from Bangalore city.

#### LIBRARY

Campus library stocked with thousands of books with various volumes covering wide variety of subjects for various academic programs. The institute subscribes to a number of E-Journals, national and International journals and also various periodicals.

#### HOSTEL

AIT provides high security, full furnished separate hostels for boys and girls at Chikkaballapur, with all amenities and excellent food. The warden identifies himself with resident students and shows special care, attention and understanding. Transportation to college campus is provided by college.

#### CO-CURRICULAR and EXTRA CURRICULAR ACTIVITIES

Spoken English Classes are conducted weekly thrice. AIT has got an excellent English Language lab with enough computers for all and installed with appropriate software so students learn English faster.

Placement Opportunities are provided to the students. This will be more promising because of our management background and the practical approach we undertake in day to day curriculum. To enrich technical knowledge of students regular industrial visits are arranged by the college. Workshops on Personality Development & Career Guidance are regularly conducted.

Apart from Academic excellence, importance to sports and games are also given in the college. Various outdoor sports grounds such as cricket pitch, Volleyball court, Badminton Court etc are facilitated. Various indoor sports such as Table Tennis, carom boards are also provided.
